

Product Change Notice

Notice: # BE100907

Date: 07-Sep- 2010

To Our Valued Customers:

We appreciate your use of Vicor Brick Business Unit products. Our commitment to customer satisfaction is demonstrated by our notification to you of the following change.

Description:

This notification is to inform you that Vicor will eliminate the VDE agency mark on selected products. The products affected currently carry TUV agency approvals and Vicor has determined that the VDE mark is redundant.

Products Affected:

- All DC-DC converters whose part numbers begin with VI-2, VI-B, VE-2, VE-B, IP-2, IP-B, IE-2 and IE-B.

Effective Dates

- September 7, 2010

Action Required:

No changes to form, fit, function or specifications have occurred with the products. Customers may need to update agency approvals for their end product.

Qualification Summary:

N/A
